

Edition 11/2005

Work Clearance Management Newsletter

Dear readers,

6 years have passed since our first release, and mySAP ERP 2005 will be our 7th.

Each of our releases has contained both improvements to existing functions and additional new functions, many of which were based on your feedback and comments. We would like to thank you for your assistance and support.

Many of you have expressed the wish to attend information sessions especially on the subject of [WCM](#). In order to fulfill this wish, we have organized a two-day WCM event:

Date: October 12–13, 2005
Location: [SAP Lounge](#)
950 Chaussée de Wavre, 1040 Bruxelles
950 Waversesteenweg, 1040 Brussel
Language: English

The event is free, but is limited to 50 participants.

In order to ensure the event is a complete success, we would again like to ask for your assistance. Please fill out the attached WCM questionnaire, even if you do not intend to take part in the information session. The questionnaire consists of just 22 questions, which will take you no longer than 10 minutes to answer. We will present the results of the questionnaire in the next WCM newsletter.

This questionnaire will help us to design the event to best suit your interests and needs. We would also like to use the results of the survey to improve the WCM newsletter.

The questionnaire is attached to the 11th WCM newsletter. Please fill it out and return it to us by September 15, 2005 along with your registration to the WCM information session.

Thank you in advance for your assistance!
